"I'm blessed to be in a group of leaders who love the Lord, and I'm steadily challenged to grow as a Christian business owner." —Owner, Preschool

"I love carving out the time in the morning to be with the Lord and in the Word. It's nice knowing I'm not alone in applying Biblical principles in the operation of our organization." —Director, Non-Profit Homeless Shelter

"I'm impressed with the level of intimacy and trust in the group, as we seek to run Godly businesses. It's hard to find." —Owner, Computer/IT business

Entrepreneur & ministry leader Drew Crandall has run a Christian-based marketing and media business for 21 years and is a charter, lifetime member of FCCI.

Meetings are open to men and women Christian business owners, CEOs, self-employed individuals, retired business leaders, and managers who are being groomed for future top-level leadership. During these meetings, we pray, share, encourage and challenge each other, study and apply Scriptural principles in our personal and professional lives.
